

EXHIBITOR PRIZE DRAWS

**Vancouver, British Columbia
November 9-12, 2016**

An opportunity to increase traffic to your booth – A Prize Draw at your booth!

New this year – Exhibitors may now have their own prize draws from their booth. Prizes need to have a maximum total cumulative value of \$500 per exhibiting company (i.e. 5 x \$100 prizes, or 1 x \$500 prize). Prizes must be approved by FMF prior to the event.

An outline of the contest, number of winners, and the winners' names must be provided for verification. No announcements of winners' names will be permitted. Draws must occur during breaks – and not conflict with session times.

This opportunity would not be available to exhibitors who are required to follow the Rx&D Guide.
