Book all 4 days by Sept 30 and save 18-30%!

CURRENT RATE UPDATE: Daily Rates for Thursday, Friday and Saturday are on a rate hold from 2016! Very modest increase of \$50 on Wednesday for more sessions, posters and networking opportunities.

FUN FACT! FMF is designed to break even every year, with every dollar in fees going towards education and delegate experience. FMF has successfully balanced its own budget every year for over a decade!
