# WHO WE ARE

---

The College of Family Physicians of Canada (CFPC) is the leading professional organization, responsible for the standards of education, certification, and training of family physicians across Canada. We advocate for the specialty of family medicine, family physicians and their patients. Our mission and vision are simple; advance family medicine to improve lives, and the health of all people in Canada.

# WHAT WE DO

Connect with 5,000 delegates at Canada's largest conference for family physicians. Family Medicine Forum (FMF) is a renowned four-day Conference featuring world-class keynotes, over 250 informative sessions on practical, cutting-edge and thought-provoking educational topics with an array of continuing professional development (CPD) sessions for family physicians. Featuring more than 175 trade show exhibitors, it is the most valuable networking opportunity in Canada. Thousands of family physicians, researchers, teachers and other healthcare professionals network at several evening event opportunities that allow you to recharge and connect with peers and colleagues.
