Non-Certified Program

Scheduled times are listed in Eastern Time

Tuesday, November 9th

7:00 p.m. – 8:15 p.m. The Unforgotten Movie Screening and Discussion

A film exploring the health and well-being of Inuit, Métis and First Nations peoples across five stages of life: birth, childhood, adolescence, adulthood and elderhood. Featuring stories rich in visuals, poetry and music, the anthology uncovers instances of systemic racism, the impacts of colonialism and the ongoing trauma experienced by Indigenous peoples in the Canadian health care system.

Wednesday, November 10th

9:00 a.m. – 9:50 a.m. Facets of Advancing Family Medicine

Kick-off FMF 2021 with a fresh look at the role of the Foundation for Advancing Family Medicine (FAFM)! We invite you to an engaging session where we will share stories of impact, inspiration and innovation; the Foundation's role supporting the CFPC and preparing for the future. All attendees are welcome.

11:00 a.m. – 11:15 a.m. Wellness Zone: Doodle Break sponsored by [EHN Canada](#)

Your mind needs to be refreshed regularly. That's why doodling during a break is really beneficial. It works the area of your brain that activates the right hormones and chemical responses to combat stress. All you need is 2 sheets of paper and a writing utensil of your choice.

12:30 p.m. – 1:30 p.m. The Journey into Your Medical Practice sponsored by [Scotiabank](#) and [MD Financial](#)

Are you ready for your next step? If you want to learn more about how to set up your practice come join us for a session that will cover what you need to know. Like how to manage your budget, paying down debt vs. investing, how to set-up a corporation, some risk management and fiscal tips, how to choose your banking products, and more. Hope to see you there!

12:30 p.m. – 1:30 p.m. Exploring Equity, Diversity and Inclusion: Practical considerations

A moderated panel of three will explore strengths and opportunities for change in engaging in and with equity, diversity, and inclusion (EDI) in family medicine/primary care research. Time will be left at the end for those attending to ask questions.

12:30 p.m. – 1:30 p.m. Teachers and Preceptors Knowledge Café

The Knowledge Café provides opportunities for dialogue at FMF by sharing and exchanging ideas, controversies, and innovations with colleagues on a variety of topics. Join us over the lunch break to share and exchange timely themes and hot-button issues at both the national and international levels of family medicine teaching.

Scheduled times are listed in Eastern Time

12:30 p.m. – 1:30 p.m. The mRNA Vaccines – Their Impact on COVID and How This is Just the Beginning sponsored by [Moderna](#)

Moderna invites you to a fireside-style chat between Dr. Vivien Brown and Dr. James Mansi, to be moderated by Dr. Peter Lin, on the topic of mRNA technology and vaccine confidence. This session will provide participants with practical information regarding the mRNA platform, as well as Covid-19 immunization, efficacy and safety, in order to confidently engage and discuss these topics with patients.

2:30 p.m. – 3:00 p.m. Family Zone: AGO Pop-Up Studio

For an event inspired by the exhibition “[Picasso: Painting the Blue Period](#)” at the Art Gallery of Ontario (AGO), participants will be guided in a drawing and colouring exercise led by the AGO’s artist instructor. This is a family time pop-up studio. See the exhibition at www.ago.ca.

**2:30 p.m. – 3:00 p.m. Monoclonal antibodies for COVID-19: A Missed Opportunity?
Sponsored by [GSK](#)**

The goals and objectives of this session will be:

- To review the pathophysiology and clinical staging of COVID-19;
- to update the epidemiology of COVID-19 in Canada;
- to introduce the concept of monoclonal antibodies in the early treatment of COVID-19; and
- to evaluate clinical trial data for this therapy.

4:00 p.m. – 5:00 p.m. FMF Celebration

The time has finally come: let’s celebrate Day One of FMF with some music and entertainment! Round up the family and get ready for some fun. Cheers to FMF, and to you! Everyone is welcome.

12:30 p.m. – 1:00 p.m. The Future of Healthcare is Collaborative sponsored by [Telus Health](#)

We are at a turning point in how we think of the health record and its role in healthcare delivery. In an age of ever-increasing amounts of health information and changing demands on healthcare, patients, primary care providers and healthcare teams need digital tools to better communicate with one another, to coordinate care and ultimately, to collaborate on improved health outcomes. During this session, Dr. Puneet Seth, a practicing family physician and Managing Principal at TELUS Health, will discuss what collaboration means in the context of the health record, how TELUS Health is making this possible through its EMRs and patient engagement tools, and what the future looks like with the Collaborative Health Record (CHR).

12:30 p.m. – 1:15 p.m. Wellness Zone: Sleep Better sponsored by [EHN Canada](#)

Now, more than ever, we need to be sleeping well to improve our immune systems and overall health. When we focus on changing our mindset and everyday lifestyle habits, we can begin to build a foundation to sleep and feel better. Sleep expert [Alanna McGinn](#) will educate you on incorporating proper sleep hygiene specific to your role as a physician, with tips and strategies to quiet your mind, shorten sleep onset, and strengthen your relationship with sleep and your bed.

12:30 p.m. – 1:30 p.m. Student and Resident Panel Discussion

Join your fellow students and residents for a one-hour Q&A panel and presentation discussing everything family medicine! Have your questions answered by an esteemed group that includes a program director, an early-career family physician, a rural/urban practice physician, a medical student, and a resident. They can share information about their diverse community of patients, personal practices, evolving practices, and finding a work-life balance. Don't miss out on this live event!
