Questions about Toronto?

Located in a kiosk right beside the FMF Registration desk you will find representatives from Destination Toronto. This is where you will be able to find out more about what to see and do while in Toronto.

COVID-19 Policies*

* Subject to the Province of Ontario and/or the City of Toronto's public health guidelines and restrictions at the time of FMF.

We strongly recommend that all on-site attendees be up to date with their COVID-19

vaccinations, and encourage everyone to wear a mask unless you are maintaining a distance of six (6) feet from others and/or actively eating or drinking.

- FMF will employ enhanced cleaning and sanitization standards throughout the FMF venue(s)
- The MTCC uses top-tier air filtration, as follows:
 - Two-step filtration system with a MERV 13 rating
 - Highly effective air filters in all HVAC systems
 - Increased cleaning frequency of the air handling units
 - The volume of fresh air intake has increased from 20 per cent up to 50 per cent
 - Running hours for air handling units extended to increase fresh air turnover

We are asking that all attendees complete the Ontario daily self-screening tool, and to **not attend if advised to self-isolate**. In addition, please do not attend any sessions, meetings, or events during FMF Toronto if you are unwell.

For a full list of COVID-19 guidelines please visit fmf.cfpc.ca/faq.

Mainpro+® Credit Information

This one-credit-per-hour Group Learning Program has been certified by the CFPC and the Ontario College of Family Physicians for up to 105 Mainpro+ credits.

Earn up to 24 Mainpro+ credits by attending in person and earn up to 81 Mainpro+ credits by participating virtually and accessing on-demand.

How do I report my credits?

You do **not** need to report credits for any sessions you attend at FMF either in person or virtually. These credits will be tracked and uploaded to your Mainpro+ holding area within six (6) weeks after the on-demand period ends.

Exception: Mainpro+ two- and three-credit-per-hour workshops held on November 8th and November 15th require completion of post-course work before attendees can claim those credits. These are not uploaded automatically.

How are credits tracked?

For in-person sessions, session monitors will scan your badge before you enter a session room.

Please ensure that your badge is scanned prior entering the room. If you miss being scanned while on-site at FMF, please visit the Session Scanning Questions desk at the registration area, level 600, MTCC.

For a full list of the most commonly asked questions about Mainpro+ credit reporting, visit fmf.cfpc.ca/faq and scroll to the "Sessions and Credits" section.
